**MANAGEMENT INFORMATION CIRCULAR**  
(as at May 29, 2025, unless indicated otherwise)

**SOLICITATION OF PROXIES**

This management information circular (the “**Information Circular**”), the form of proxy and the supplemental mailing list request card (collectively, the “**Meeting Materials**”) are furnished in connection with the solicitation of proxies by the management of Inomin Mines Inc. (the “**Company**”) for use at the Annual General and Extraordinary Meeting of the holders of common shares of the Company (“**Shares**”) to be held on **Thursday, July 3, 2025 at 11:00am (Pacific Time)** (the “**Meeting**”) and any adjournment or postponement thereof at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company.

**APPOINTMENT AND REVOCATION OF PROXIES**

The individuals named in the accompanying form of proxy are directors and/or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER FORM OF PROXY.**

To be valid, a proxy must be in writing and executed by the shareholder or their attorney authorized in writing, unless the shareholder chooses to complete the proxy by telephone or the internet as described in the enclosed proxy form. Completed proxies must be received by Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment or postponement thereof, or at the discretion of the Chairman of the Meeting, delivered to the Chairman of the Meeting prior to the commencement of the Meeting or prior to any re-commencement of the Meeting after an adjournment or postponement.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by their attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 700 West Georgia Street, Suite 2200, Vancouver, British Columbia, V7Y 1K8, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

**RECORD DATE**

The board of directors of the Company (the “**Board**”) has established the record date (the “**Record Date**”) for the Meeting as the close of business on May 29 2025. Only shareholders of record at the close of business on the Record Date will be entitled to notice of the Meeting, or any adjournments or postponements thereof, and to vote at the Meeting. No shareholders having become shareholders of record after that time will be entitled to vote at the Meeting, or any adjournments or postponements thereof.

**INFORMATION FOR BENEFICIAL HOLDERS OF SHARES**

**Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.** Registered shareholders are holders of Shares whose names appear on the Share register of the Company and are not held in the name of a brokerage firm, bank or trust company through which they purchased Shares. The Shares owned by many shareholders of the Company are not registered on the records of the Company in the shareholders’ own names, but in the name of a securities dealer, bank or other intermediary, or in the

name of a clearing agency (referred to in this Information Circular as an “intermediary” or “intermediaries”). Shareholders who do not hold their Shares in their own names (referred to in this Information Circular as “beneficial holders”) should note that only registered shareholders may vote at the Meeting. A beneficial holder cannot be recognized at the Meeting for the purpose of voting his shares unless he is appointed by the intermediary as a proxyholder.

Applicable regulatory policy requires intermediaries to seek voting instructions from beneficial shareholders. Every intermediary has its own procedures to seek those instructions. Beneficial shareholders should follow those procedures carefully to ensure that their Shares are voted at the Meeting.

The majority of brokers in Canada have delegated authority for obtaining instructions from clients to Broadridge Investor Communication Solutions, Canada (“**Broadridge**”). Broadridge typically applies a special sticker to the proxy forms, or alternatively, prepares a separate “voting instruction” form, mails those forms to beneficial holders, and asks beneficial holders to return the proxy or voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions for voting at the Meeting. A beneficial holder who receives a proxy bearing a Broadridge sticker or a voting instruction form cannot deposit that proxy or form on the Meeting date to vote common shares at the Meeting. The proxy or form must be returned to Broadridge in advance of the Meeting in order to allow the shares to be voted by the named proxyholder at the Meeting.

In addition to those procedures, recent amendments to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) allow a non-objecting beneficial holder (“**NOBO**”) to submit to the Company or an applicable intermediary any document in writing that requests that such NOBO or its nominee be appointed as the NOBO’s proxyholder. If such a request is received, the Company or the intermediary, as applicable, must arrange, without expense to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Information Circular, provided that the Company or the intermediary receives such written instructions at least one business day prior to the time at which proxies are to be submitted for use at the Meeting; accordingly, any such request must be received by **11:00 a.m.** (Vancouver time) on **June 30, 2025**.

The Company is not sending the Notice of Meeting and Meeting Materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting Materials to clearing agencies and intermediaries for onward distribution to NOBOs.

An objecting beneficial owner (“**OBO**”) is a beneficial holder who has provided instructions to an intermediary holding Shares in an account on behalf of the OBO that the OBO objects to the intermediary disclosing the OBO’s name, address and Share ownership information to the Company to allow the Company to send shareholder materials to the OBO. In accordance with applicable securities law requirements, the Company has distributed copies of the Meeting Materials to the clearing agencies and intermediaries for distribution to OBOs. The Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and an OBO will not receive those materials unless the OBO’s intermediary assumes the cost of delivery.

Intermediaries are required to forward the Meeting Materials to non-registered shareholders unless a non-registered shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to non-registered shareholders. Generally, non-registered shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form **which is not signed by the intermediary** and which, when properly completed and signed by the non-registered shareholder and returned to the intermediary or its service company, will constitute voting instructions (often called a “voting instruction form”) which the intermediary must follow; or
- (b) be given a form of proxy **which has already been signed by the intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the non-registered shareholder but which is otherwise not completed by the intermediary. Because the intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the non-registered shareholder when submitting the proxy. In this case, the non-registered shareholder

who wishes to submit a proxy should properly complete the form of proxy and deposit it with the Company, c/o Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1.

In either case, the purpose of these procedures is to permit non-registered shareholders to direct the voting of their Shares which they beneficially own. Should a non-registered shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the non-registered shareholder), the non-registered shareholder should strike out the persons named in the form of proxy and insert their own name or such other person's name in the blank space provided. **Non-registered shareholders should carefully follow the instructions of their intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.**

A non-registered shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an intermediary at any time by written notice to the intermediary provided that an intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote which is not received by the intermediary at least seven days prior to the Meeting.

**IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.**

## **EXERCISE OF DISCRETION**

Shares represented by proxy are entitled to be voted on a show of hands or any poll and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Shares will be voted or withheld from voting in accordance with the specification so made.

## **SUCH SHARES WILL BE VOTED FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER.**

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

## **VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

The Company is authorized to issue an unlimited number of common shares with par value. As at the Record Date, the Company has a total of 42,453,552 fully paid and non-assessable common shares issued and outstanding. Each Share carries the right to one vote at the Meeting. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

## **PRINCIPAL SHAREHOLDERS**

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his or her Shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Company, there are no persons or companies who beneficially own, or control or direct, directly or indirectly, Shares carrying 10% or more of the voting rights attached to all outstanding Shares of the Company.

## INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or executive officer of the Company since the commencement of the Company's last completed financial year, or of any proposed nominee for election as a director of the Company, or of any associate or affiliate of any of such persons, in any manner to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

## FINANCIAL STATEMENTS

The audited consolidated financial statements for the financial year ended March 31, 2024 and the report of the auditor thereon will be placed before the shareholders at the Meeting, but no vote thereon is required. These documents are available upon request or they can be found under the Company's profile on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) or on its website at <https://inominmines.com>.

## STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101- Disclosure of Corporate Governance Practices, requires all companies to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Company’s approach to corporate governance is set out below.

### Board of Directors

The Board currently consists of five (5) directors: Evilio J. Gomez-Garcia (President & Chief Executive Officer), Anil Jiwani (Chief Financial Officer), Ari M. Shack (Corporate Secretary), L. John Peters and William Yeomans.

The Guidelines suggest that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors. A director is “independent” if the individual has no direct or indirect material relationship with the Company which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment whether on the Board or a committee of the Board. Notwithstanding the foregoing, an individual who is, or has been within the last three years, an employee or executive officer of the Company is considered to have a material relationship with the Company. Of the current Board, Evilio J. Gomez-Garcia, Anil Jiwani and Ari M. Shack are not independent, as they are executive officers of the Company. Of the current Board, L. John Peters and William Yeomans are independent.

### Other Directorships

No directors of the Company currently serve as directors of other reporting issuers.

### Mandates

The size of the Company is such that the Company’s operations are conducted by a small management team that is also represented on the Board. The Board is responsible for supervising management in carrying on the business and affairs of the Company. Directors are required to act and exercise their powers with reasonable prudence in the best interests of the Company. In discharging its mandate, the Board is responsible for the oversight and review of the development of, among other things, the following matters:

- (1) the strategic planning process of the Company;
- (2) identifying the principal risks of the Company’s business and ensuring the implementation of appropriate systems to manage these risks;
- (3) planning for succession of management;
- (4) the Company’s policies regarding communications with its shareholders and others, and
- (5) the integrity of the internal controls and management information systems of the Company.

In carrying out its mandate, the Board relies primarily on management to provide it with regular detailed reports on the operations of the Company and its financial position. The Board reviews and assesses these reports and other information provided to it at meetings of the full Board and of its committees.

Management personnel regularly attend Board meetings to provide information and answer questions. Directors also consult from time to time with management. At least annually, the Board reviews management's report on its business and strategic plan and any changes with respect to risk management and succession planning.

The Board discharges specific responsibilities directly through its Audit Committee. The Board has adopted a written charter for the Audit Committee (see "Audit Committee – Audit Committee's Charter").

### **Orientation and Continuing Education**

The Company does not provide a formal orientation and education program for new directors; however, any new directors will be given the opportunity to familiarize themselves with the Company, the current directors and members of management. Directors are also encouraged and given the opportunity for continuing education.

### **Ethical Business Conduct**

The Board has not, to date, adopted a formal written code of business conduct and ethics. The current limited size of the Company's operations, and the small number of officers and employees, allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal code of business conduct and ethics.

### **Nomination of Directors**

The Company does not have a stand-alone nomination committee. The Board selects new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President. The Board monitors, but does not formally assess, the performance of individual Board members or committee members or their contributions.

### **Compensation**

The Board's compensation committee consists of L. John Peters, William Yeomans and Evilio J. Gomez-Garcia. The committee reviews and provides recommendations to the Board regarding employment, consulting or other compensation arrangements between the Company and any director or senior officer of the Company or between any subsidiary of the Company and any director or senior officer must be considered and approved by the Company's independent directors.

### **Other Board Committees**

The Company has one standing committee, the Audit Committee. Please refer to the "Audit Committee" section.

### **Assessments**

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director's credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director's nomination.

## **AUDIT COMMITTEE**

### **Audit Committee's Charter**

The text of the Company's Audit Committee Charter is attached as Appendix 1 to this Information Circular.

The Board determines the size of stock option grants and the terms and conditions of the options forming part of such grants. The existing number and terms of the outstanding options are taken into account when granting new options.

Details of the Company's Stock Option Plan are provided below under "Approval of Stock Option Plan".

### **Pension Disclosure**

## PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

### Approval of Earn In and Joint Venture Agreement

On April 25, 2025, the Company entered into an earn in and joint venture agreement (the “**Definitive Agreement**”) with Sumitomo Metal Mining Canada Ltd. (“**Sumitomo**”), an arm’s length party, pursuant to which:

- a) the Company granted to Sumitomo the right to earn up to an 80% interest in the Company’s Beaver-Lynx project (the “**Beaver Lynx**” or the “**Project**”) over two phases, as described below (the “**Option**”); and
- b) the Company and Sumitomo formed a joint venture with respect to the Project.

Beaver-Lynx consists of 19 mineral tenures, as more particularly set out in the Definitive Agreement, covering approximately 28,000 hectares and is located in south-central British Columbia, 50 kilometres from the city of Williams Lake and adjacent to Taseko Mines Ltd.’s (TSX: TKO) Gibraltar mine project, one of the largest open-pit copper mines in Canada.

Sumitomo may exercise the Option over two phases. During phase one, Sumitomo has the option (the “**First Option**”) to acquire up to a 60% interest in the Project by funding and incurring exploration expenditures in an aggregate amount of \$3,000,000 by April 25, 2027, comprised of a mandatory initial expenditure amount of \$1,000,000 (the “**Initial Minimum Expenditure**”) and an additional expenditure amount of \$2,000,000 to maintain the First Option in good standing.

Subject to the satisfaction of the Initial Minimum Expenditure, Sumitomo may elect at any time during phase one to terminate the Definitive Agreement. Upon completion of the full phase one expenditure requirement, Sumitomo may (i) exercise the First Option in full and proceed to phase two (described below), (ii) exercise the First Option and elect not to proceed to phase two, or (iii) elect not to exercise the First Option and terminate the Definitive Agreement.

During phase two, Sumitomo may increase its interest in the Project by an additional 20% (for an aggregate interest of 80%) (the “**Second Option**”) by funding and incurring an additional \$5,000,000 in exploration expenditures by the third anniversary of the date on which the First Option was exercised.

Upon completion of the phase two expenditure requirement, Sumitomo may (i) exercise the Second Option in full, (ii) elect not to exercise the Second Option and retain its interest pursuant to the First Option, or (iii) elect not to exercise the Second Option and terminate the Definitive Agreement.

The Company will be the operator of the Project during the First Option, entitling the Company to a minimum fee equal to 10% of exploration expenditures incurred by the Company on behalf of Sumitomo at the Project (the “**Operator Fee**”). Sumitomo also agreed to reimburse the Company for exploration expenditures it incurred at the Project during the exclusivity period prior to executing the Definitive Agreement, up to \$100,000, which amount may be applied against the Initial Minimum Expenditure.

Provided that Sumitomo exercises the First Option, Sumitomo will be granted with the option to acquire certain non-mineral rights at the Project (the “**Other Substances**”), including hydrogen, by delivering to the Company a written notice and making a paying to the Company \$500,000. Subsequently, if a party’s interest in the Project subsequently falls below 20%, such party shall be granted a 7.5% royalty on the Other Substances.

In the event a party’s interest in the Project falls below 10% (the “**Withdrawing Party**”), the Withdrawing Party will be deemed to have (i) withdrawn from the joint venture and to have transferred its interest to the other party holding an interest in the Project (and if there is more than one party with an interest in the Project, transferred pro rata in the proportion of such parties’ interests); and (ii) entered into a royalty agreement granting the Withdrawing Party a 2% net smelter royalty in respect of proceeds received on mineral products derived from the Project.

The Definitive Agreement is subject to the following conditions:

- a) Approval by the TSX Venture Exchange (the “**TSXV**”) (the TSXV conditionally approved the Definitive Agreement on May 13, 2025); and
- b) Approval of the shareholders of the Company.

The summary above is qualified by the full text of the Definitive Agreement, a copy of which is accessible on the Company’s SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca).

#### *Shareholder Approval Being Sought*

The Definitive Agreement constitutes a “reviewable disposition” under TSXV Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* (“**Policy 5.3**”) as the Option will, if completed, result in a disposition of more than 50% of the Company’s assets. Accordingly, the Definitive Agreement is subject to the approval of the majority of the shareholders as mandated by Section 5.14(c) of Policy 5.3 by ordinary resolution (the “**Definitive Agreement Resolution**”).

The Company believes it will continue to meet the TSXV’s continued listing requirements upon full exercise of the Option as the Company expects to have adequate working capital through receipt of the Operator Fee, among other potential capital raising transactions, and it will continue to hold up to a 20% interest in the Project, in addition to its other mineral properties. Nonetheless, in the event the TSXV determines that the Company does not meet continued listing requirements at any point, the Company’s listing could be transferred to NEX.

The Board and management recommend the approval of the Definitive Agreement Resolution. To be effective, the Definitive Agreement Resolution must be approved by not less than 50% of the votes cast by the holders of Shares present in person, or represented by proxy, at the Meeting. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Shares represented by such form of proxy, properly executed, FOR the Definitive Agreement Resolution.**

The text of the Definitive Agreement Resolution authorizing the Company entering into the Definitive Agreement with Sumitomo is as follows:

#### **“BE IT RESOLVED THAT:**

- (a) subject to regulatory approval, the entering into and performance of all obligations under the earn in and joint venture agreement dated April 25, 2025 between the Inomin Mines Inc. (the “**Company**”) and Sumitomo Metal Mining Canada Ltd. (the “**Definitive Agreement**”) and the transactions contemplated therein, as more particularly described and set forth in the Company’s management information circular dated May 29, 2025, be and is hereby ratified, confirmed and approved;
- (b) any director or officer of the Company is hereby authorized for and on behalf of the Company to execute and deliver all documents and instruments and to take such other actions as such director or officer may determine to be necessary or desirable to implement these resolutions, the Definitive Agreement and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions ; and
- (c) the directors of the Company, in their sole and complete discretion, may act upon this resolution authorizing the Definitive Agreement, or, if deemed appropriate and without any further approval from the shareholders of the Company, may choose not to act upon this resolution notwithstanding shareholder approval of the Definitive Agreement and are authorized to revoke this resolution in their sole discretion at any time prior to effecting the Definitive Agreement.”

#### **Approval of Stock Option Plan**

**AUDIT COMMITTEE OF**  
**THE BOARD OF DIRECTORS OF INOMIN MINES INC.**

Organization

There shall be a committee of the board of directors (the “**Board**”) of Inomin Mines Inc. (the “**Company**”) known as the Audit Committee (the “**Committee**”). This charter shall govern the operations of the Committee.

Membership and Qualifications

The membership of the Committee shall be appointed by the Board and shall consist of at least three directors, the majority of whom will be non-officers (the “**Independent Directors**”).

Each independent member of the Committee shall be, while at all times a member of the Committee, free of any relationship that, in the opinion of the Board, would interfere with the member’s individual exercise of independent judgment.

Each member of the Committee shall be, while at all times a member of the Committee, generally knowledgeable in financial and auditing matters, specifically possessing the ability to read and understand fundamental financial statements including the Company’s balance sheet, statement of operations and statement of cash flows.

The Board shall appoint one member of the Committee as chair. The chair shall be responsible for leadership of the Committee, including preparing the agenda, presiding over the meetings, making committee assignments and reporting to the Board. The chair will also maintain regular liaison with the Company’s Chief Executive Officer, Chief Financial Officer and lead independent audit partner.

Role

The Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, reporting practices, systems of internal accounting and financial controls, the annual independent audit of the Company’s financial statements, and the legal compliance and ethics programs of the Company as established by management and the Board shall also perform any other related duties as directed by the Board. In fulfilling this role, the Committee is expected to maintain free and open communications with the independent auditor and management of the Company and shall meet at least once each quarter.

While the Committee has the responsibilities and powers set forth below in this charter under the headings “**Authority**” and “**Responsibilities and Processes**”, it is not the duty of the Committee to conduct audits or to determine that the Company’s financial statements are fairly presented and are in accordance with generally accepted accounting principles. Management is responsible for the preparation of financial statements in accordance with generally accepted accounting principles. It is the role of the independent auditor to audit the financial statements.

Authority

The Committee is granted the authority to investigate any matter brought to its attention, with full access to all books, records, facilities and personnel of the Company. The Committee has the power to engage and determine funding for outside counsel or other experts or advisors as the Committee deems necessary for these purposes and as otherwise necessary or appropriate to carry out its duties. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and for any advisors employed by the Committee as well as for the

payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

- Overseeing the independent auditor relationship by discussing with the auditor the nature and scope of the audit process, receiving and reviewing audit reports, and providing the auditor full access to the Committee to report on any and all appropriate matters. The Committee has the sole authority to resolve disagreements, if any, between management and the independent auditor.

- Reviewing and either approving or disapproving all related party transactions.
- Submitting the minutes of all meetings of the Committee to, or discussing the matters discussed at each committee meeting with, the Board.
- Reviewing and assessing the adequacy of this charter annually and recommend any proposed changes to the Board for its approval.

The Chairman of the Committee, or another Committee member designated by the Chairman, is authorized to act on behalf of the Committee with respect to required Committee responsibilities which arise between regularly scheduled Committee meetings, with the independent auditors and management, as well as the pre-approval of non-audit services provided by the independent auditors, as necessary, as contemplated by the Committee's policies. Any such pre-filing discussions and preapprovals shall be reported to the Committee at a subsequent meeting.

### 3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. In respect of Options granted to Employees, Consultants, Consultant Companies or Management Company Employees, the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. In addition, Options and Option Shares that are subject to the Exchange Hold Period pursuant to TSXV Policy 1.1 must be legended with the Exchange Hold Period commencing on the Grant Date, and the Option Agreement shall contain any applicable resale restriction or Exchange Hold Period.

## 4. EXERCISE OF OPTION

### 4.1 When Options May be Exercised

Subject to sections 4.3, 4.4 and 4.5, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. Pacific Time on the Expiry Date and shall not be exercisable thereafter. In the event that the Expiry Date of an Option falls during a trading blackout period imposed by the Company (the "**Blackout Period**"), the Expiry Date of such Option shall automatically be extended to a date which is ten (10) trading days following the end of such Blackout Period (the "**Extension Period**"), subject to no cease trade order being in place under applicable securities laws; provided that if an additional Blackout Period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional Blackout Period to enable the exercise of such Option within ten (10) trading days following the end of the last imposed Blackout Period.

#### **4.2 Manner of Exercise**

The Option shall be exercisable by delivering to the Company a notice specifying the number of Option Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Option Share. Upon notice and payment there will be a binding contract for the issue of the Option Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company or such other method of cash payment as is acceptable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque or other method of cash payment, as the case may be, is not honoured upon presentation in which case the Option shall not have been validly exercised.

#### **4.3 Vesting of Option Shares**

The Board, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at the time of granting an Option, and subject to the other limits on Option grants set out in Section 3.2 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Investor Relations Service Providers, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period.

#### **4.4 Termination of Employment**

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date;

(b) Termination For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

(d) Spin-Out Transactions

If pursuant to the operation of sub-section 5.3(c) an Optionee receives options (the "**New Options**") to purchase securities of another company (the "**New Company**") in respect of the Optionee's Options (the "**Subject Options**"), subject to the prior approval of the Exchanges, the New Options shall expire on the earlier of: (i) the Expiry Date of the Subject Options; (ii) if the Optionee does not become an Eligible Person in respect of the New Company, the date that the Subject Options expire pursuant to sub-section 4.4(a), (b) or (c), as applicable; (iii) if the Optionee becomes an Eligible Person in respect of the New Company, the date that the New Options expire pursuant to the terms of the New Company's stock option plan that correspond to sub-section 4.4(a), (b) or (c) hereof; and (iv) the date that is one (1) year after the Optionee ceases to be an Eligible Person in respect of the New Company or such shorter period as determined by the Board.

(e) Eligible Charitable Organizations

If the Optionee ceases to be an Eligible Person due to no longer being an Eligible Charitable Organization, the Options then held by that Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days after the date the Optionee ceases to be an Eligible Person.

Notwithstanding the foregoing, the Board may, in its sole discretion if it determines such is in the best interests of the Company and subject to the policies of the Exchanges, extend the early Expiry Date (as set out above in this section 4.4) of any Option held by an Optionee who ceases to be an Eligible Person to a later date within a reasonable period, subject to such period not exceeding 12 months from the date the Optionee ceases to be an Eligible Person.

For purposes of this section 4.4, the dates of death, Disability, termination, retirement, voluntary resignation, ceasing to be an Eligible Person and incapacity shall be interpreted to be without regard to any period of notice (statutory or otherwise) or whether the Optionee or his or her estate continues thereafter to receive any compensatory payments from the Company or is paid salary by the Company in lieu of notice of termination.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this section 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

#### **4.5 Effect of a Take-Over Bid**

If a *bona fide* offer ( an "**Offer**") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon (subject to the approval of the Exchanges with respect to Investor Relations Service Providers) all Option Shares subject to such Offer will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

(a) the Offer is not completed within the time specified therein; or

(b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to section 4.3 shall be reinstated. If any Option Shares are returned to the Company under

this section 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

#### **4.6 Acceleration of Expiry Date**

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer and subject to the approval of the Exchanges with respect to Investor Relations Service Providers, declare all Option Shares issuable upon the exercise of Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Board shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days of notice is required and more than 30 days of notice is not required.

#### **4.7 Compulsory Acquisition or Going Private Transaction**

If and whenever, following a take-over bid or issuer bid, there shall be a compulsory acquisition of the Shares pursuant to Division 6 of the *Business Corporations Act* (British Columbia) or any successor or similar legislation, or any amalgamation, merger or arrangement in which securities acquired in a formal take-over bid may be voted under the conditions described in Section 8.2 of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, then following the date upon which such compulsory acquisition, amalgamation, merger or arrangement is effective, an Optionee shall be entitled to receive, and shall accept, for the same exercise price, in lieu of the number of Option Shares to which such Optionee was theretofore entitled to purchase upon the exercise of his or her Options, the aggregate amount of cash, shares, other securities or other property which such Optionee would have been entitled to receive as a result of such bid if he or she had tendered such number of Option Shares to the take-over bid.

#### **4.8 Effect of a Change of Control**

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges with respect to Investor Relations Service Providers or if otherwise necessary.

#### **4.9 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement**

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

#### **4.10 Shares Not Acquired**

Any Unissued Option Shares not acquired by an Optionee under an Option which has been settled in cash, cancelled, terminated, surrendered, forfeited or expired without being exercised may be made the subject of a further Option pursuant to the provisions of the Plan.

### **5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES**

#### **5.1 Share Reorganization**

Subject to the prior approval of the Exchanges (other than in the case of a Share subdivision or consolidation), whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events

being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
  - (i) the Option Price in effect immediately before that effective date or record date; and
  - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection 5.1 (a)(ii).

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Share Reorganization.

## **5.2 Special Distribution**

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

## **5.3 Corporate Organization**

Subject to the prior approval of the Exchanges, whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities;
- (c) an arrangement or other transaction under which, among other things, the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company, or securities of another company, or both; or
- (d) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he/she would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he/she would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he/she had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Board.

#### **5.4 Determination of Option Price and Number of Unissued Option Shares**

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Board may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

#### **5.5 Regulatory Approval**

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of sections 5.1, 5.2 or 5.3 is subject to the prior approval of the Exchanges and any other governmental authority having jurisdiction. Notwithstanding the foregoing, adjustments pursuant to section 5.1 due to a Share subdivision or consolidation do not require prior TSX Venture Exchange approval.

### **6. MISCELLANEOUS**

#### **6.1 Right to Employment**

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

#### **6.2 Necessary Approvals**

The Plan shall be effective upon the approval of the Plan by the Board and the Exchange or any regulatory authority having jurisdiction over the securities of the Company and shall be ratified thereafter by the shareholders of the Company by way of an ordinary resolution at the next duly convened meeting of the shareholders of the Company. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price, or any extension of the term, of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. In addition, any amendment to an Option (including any cancellation of an Option and subsequent grant of a new Option

to the same Person within one year) that results in a benefit to an Insider of the Company at the time of amendment will be subject to disinterested shareholder approval (as required by the Exchanges). The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

### **6.3 Administration of the Plan**

The Board shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in section 5.4 and subject to any required prior Exchange approval, the interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

### **6.4 Withholding Taxes**

The exercise of each Option granted under the Plan is subject to the condition that if at any time the Company determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Company. In such circumstances, the Company may require that the Optionee pay to the Company, in addition to and in the same manner as the exercise price for the Shares, such amount as the Company is obliged to remit to the relevant tax authority in respect of the exercise of the Option. Alternatively, the Company shall have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Shares acquired upon exercise of any Option, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to an Optionee by the Company, whether or not such amounts are payable under the Plan. For greater certainty, the application of this section 6.4 to any exercise of an Option shall not conflict with the policies of the Exchanges that are in effect at the relevant time and the Company will obtain prior Exchange acceptance and/or shareholder approval of any application of this section 6.4 if required pursuant to such policies.

### **6.5 Amendments to the Plan**

The Board may from time to time, subject to applicable law and to the prior approval, if required, of the shareholders (or disinterested shareholders, if required), Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee.

### **6.6 Form of Notice**

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

### **6.7 No Representation or Warranty**

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

### **6.8 Compliance with Applicable Law**

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such

provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

#### **6.9 No Assignment or Transfer**

No Optionee may assign or transfer any of his or her rights under the Plan or any option granted thereunder. Notwithstanding the foregoing, where permitted under applicable policies of the Exchanges, companies that are wholly owned by Eligible Persons may be issued Options.

#### **6.10 Rights of Optionees**

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

#### **6.11 Previously Granted Options**

Stock options which are outstanding under pre-existing stock option plan(s) of the Company as of the effective date of this Plan shall continue to be exercisable and shall be deemed to be governed by and be subject to the terms and conditions of this Plan except to the extent that the terms of this Plan are more restrictive than the terms of such pre-existing plan(s) under which such stock options were originally granted, in which case the applicable pre-existing plan(s) shall govern, provided that any stock options granted, issued or amended after November 23, 2021 must comply with TSXV Policy 4.4 - *Incentive Stock Options (as at November 24, 2021)*.

#### **6.12 Conflict**

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

#### **6.13 Governing Law**

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the province of British Columbia.

#### **6.14 Time of Essence**

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

#### **6.15 Entire Agreement**

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.

**Approved by the Board of Directors of the Company effective May 29, 2025.**

**Approved by the shareholders of the Company on July 3, 2025.**
