Inomin Adopts Semi-Annual Financial Reporting

Vancouver, British Columbia – August 24, 2026 – Inomin Mines Inc. (**TSXV: MINE**) ("**Inomin**" or the "**Company**") announces that it has elected to adopt semi-annual financial reporting ("**SAR**"). This news release is being issued and filed pursuant to Coordinated Blanket Order 51-933 Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers ("**CBO 51-933**").

CBO 51-933 allows eligible venture issuers to voluntarily move from a quarterly to a semi-annual financial reporting framework. By adopting SAR, Inomin aims to reduce the administrative and financial burden associated with quarterly reporting, allowing management to focus the Company's resources on advancing its Beaver-Lynx project and other corporate initiatives.

As a result of adopting SAR, the Company will not file interim financial reports and related Management's Discussion and Analysis ("**MD&A**") for the three-month period ended June 30, 2026 and thereafter for each three-month and nine-month periods ending each June 30th and December 31st. Inomin will continue to file its audited annual financial statements and related MD&A (due within 120 days of its March 31 financial year end) and its six-month interim financial report and related MD&A for the period ending September 30 (due within 60 days of September 30).

The Company remains committed to timely and transparent disclosure and will continue to report all material changes and significant developments as required under National Instrument 51-102 – Continuous Disclosure Obligations.
